mission

Holy Trinity Church exists to...

Glorify God

People are made by God for God's glory. We glorify God by looking to him, knowing him, loving him and enjoying him. We therefore aim to grow together in the knowledge and love of God by prayerfully reading and studying all of God's word together in the light, power and fellowship of His Holy Spirit.

Love, accept, care and pray for one another

Sin divides people and makes it hard for us to live with each other. As believers, however, we are united by God because of his undeserved kindness to us. We therefore aim to love, accept, care and pray for one another, not because we are lovable but because Christ first loved us by dying for our sin.

Teach the next generation

The next generation depends on this generation for the direction they need. We therefore aim to teach our children and new believers about Jesus and to model godly love, faith, wisdom and obedience, at home and in school, at church and in the community.

Bless the people of West Bromwich

God has promised that his family will be a blessing to the world. We therefore aim to be God's blessing to our local community, in West Bromwich and beyond by being good neighbours and multiplying our ministries.

as we hear, believe and joyfully live out the good news and commandments of Jesus Christ together.

True faith and joy come by hearing and believing the good news of Christ. Obedience to him flows out of love for him. We therefore aim to continually hear, believe and joyfully live out the good news and commandments of Jesus Christ together.

(Holy Communion 1st Sunday)**

Our Sunday service is suitable for all ages and children are provided with activity packs each week. We mix traditional and contemporary worship. We serve refreshments after the service.

If you have any encouragement from being united with Christ... then make my joy complete by being like-minded, having the same love, being one in spirit and purpose. Phil 2:1-2

Please read our mission statement to see how this verse applies to us at Holy Trinity

SOUL Groups 2:00pm and 7.30pm Wednesdays

Being a church means more than an hour of worship on a Sunday. True Christian Community involves sharing our lives, with all our joys, celebrations, struggles and burdens. To do this, we meet during the week in small group fellowships, around tables in church and on Zoom.
